IN THE STATE OF NEW JERSEY	:	

THIS MATTER was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information that on or about March 9, 2009, the New York State Board for Professional Medical Conduct entered a "Consent Order" which adopted a "Consent Agreement and Order" executed by the Respondent, Jonathan Hirsch, M.D. The Consent Order provided for a censure and reprimand and

Respondent was placed on probation for a period of three (3) years subject to certain terms.

More specifically, the Respondent agreed that he could not successfully defend against at least one of the acts of misconduct alleged in the Statement of Charges, which charged Respondent with professional misconduct for negligence on more than one occasion and failure to maintain accurate medical records related to his evaluation and treatment of Patients A-C.

As a result of the foregoing, the Board has determined that Respondent's acts giving rise to the New York Consent Order provide a basis for disciplinary action pursuant to N.J.S.A. 45:1-21(d) and (e).

IT NOW APPEARING that the parties wish to resolve this matter without recourse to formal proceedings; and that the Respondent hereby waives any right to a hearing in this matter; and the Board finding the within Order adequately protects the public's health, safety and welfare; and for good cause shown;

IT IS ON THIS 6th day of July, 2009, ORDERED AND AGREED THAT:

1. Respondent shall be, and hereby is, reprimanded for his actions as indicated above;
2. Respondent's license to practice medicine and surgery in the State of New Jersey shall be, and hereby is, placed on probation for a period of three (3) years commencing retroactively,

and to run concurrently with, the probationary period set forth in the New York Consent Order, but which probationary period shall not terminate until Respondent demonstrates to the satisfaction of the Board that he holds an active, unrestricted license to practice medicine in New York; and

3. Respondent agrees that if the Board, upon receipt of reliable information and in its sole discretion, determines during the probationary period that the Respondent has failed to comply with any provision of the New York Consent Order, or is in violation of any of the statutes and/or regulations governing the practice of medicine and surgery in the State of New Jersey, then Respondent's New Jersey license to practice medicine and surgery shall be automatically and immediately suspended. Within ten (10) days of notification of the suspension, Respondent may seek in writing a hearing before a Committee of the Board limited to the sole issue of the basis for the automatic suspension.

I have read and I understand
this Consent Order and agree to be
bound by its terms. I further
hereby consent to the entry of
this Consent Order.
